

Morison International ranks 5th in Germany

Morison International (MI) is delighted to announce that it has been ranked in the top 5 associations in the recent German *International Accounting Bulletin* survey.

MI ranked fourth in terms of the number of staff and fifth in terms of total revenue with an impressive 11% growth year on year.

The *International Accounting Bulletin* is a monthly bulletin which provides exclusive surveys of accounting firms in leading and emerging markets, delivering over 20 country and regional surveys per year. MI participates in a large number of these surveys including the annual World Survey which ranks global associations and networks. MI ranked ninth in this year's World Survey.
